Data Maturity Assessments

Dr Matt Thompson
Head of Data Strategy, UKHSA

Data Maturity at UKHSA

A Strategic commitment

- Establish a coherent view
- Coordinated planning

Robust and consistent

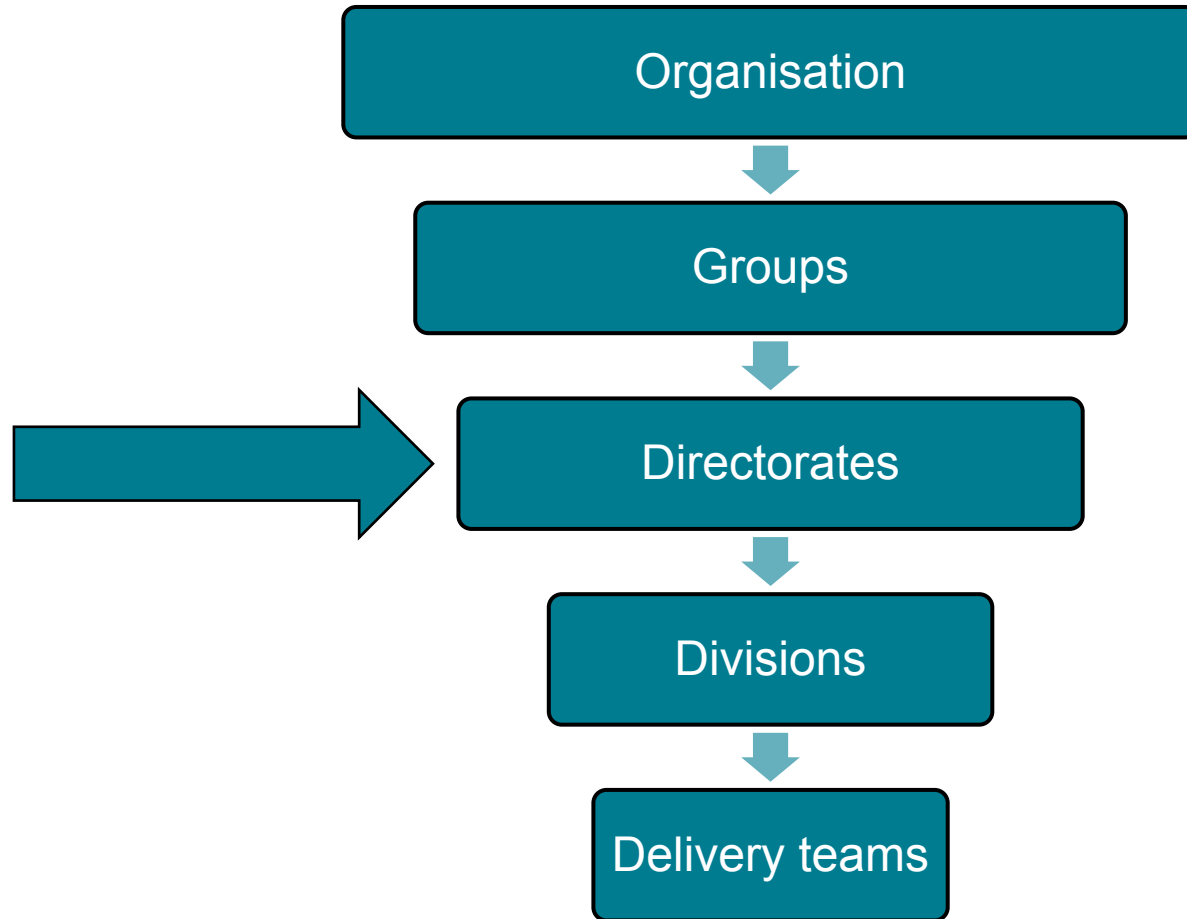

- Broad and deep view
- Reproducible

Cross-government alignment

- Positioning in landscape
- Improved collaboration

Assessment granularity

Assessment approach

**Data Maturity
Coordinators**

Surveys

Workshops

Interviews

Early findings

Some data is difficult to find and to access

Manual processes could be automated

Senior leaders appreciate value of data
